accessAbilities Home & Community Services

Home & Community Services for Individuals with Disabilities

***access*Abilities** has been providing programs and services in Pennsylvania since 1954.

As a nonprofit organization, the Agency provides Personal Assistance Services, Companion Services, Respite, Home & Community Habilitation and Community Integration for adults with a physical, developmental or intellectual disability.

The staff work together, in a culture of care and compassion, to achieve greater independence and enhanced quality of life for those served.

***access*Abilities Home & Community Services** provide a variety of direct care supports for youth & adults with disabilities — helping participants maintain independence in their home or community.

Eligible individuals diagnosed with illnesses or injuries may receive services as long as needed from ***access*Abilities** compassionate, qualified caregivers *…providing individualized service you can count on.*

Independence…
Living one's most productive life is the goal.

Personal Assistance Services – support for individuals to complete tasks of daily living.

- Bathing, dressing, personal hygiene
- Food preparation, assistance with eating & drinking
- Health maintenance activities such as toileting, wound & catheter care
- Transferring/Ambulation
- Self-administered medication
- Laundry, housekeeping & shopping

Companion Services – focuses on the health & safety of the individual and enables them to particapate in home & community activities.

Respite – support for family caregivers through short term supervision of care.

Home & Community Integration – basic banking & budgeting, health tips, decision making, medical, financial & social services that assist a participant to live in the community.

At *access*Abilities …
it's about possibilities not disabilities
