FREE Services Offered for Early Intervention

BEDFORD COUNTY, PA – *accessAbilities*, a local non-profit Agency providing services since 1954, is excited to announce that it will now provide Early Intervention services in the Bedford County area. *accessAbilities* First Steps Early Intervention program assists infants and toddlers from birth to age 3 meet their childhood milestones. Services provided are FREE for children identified as “at risk” or with a developmental delay. Early identification and intervention is an important step to give a young child the best start in life.

accessAbilities First Steps Early Invention provides families with, licensed, skilled and dedicated professionals to provide services that address identified needs and create a solid foundation for learning. The family works together with the therapists and early education specialists, in the comfort of their home or community, to carry out their individualized service plans. Parents or guardians take part, learning techniques to incorporate skills into their everyday activities and routines.

For more information, please contact *accessAbilities* First Steps Early Intervention program at 1.877.822.8272 or visit www.accessabilities.org.
